GARY SNYDER

Riprap

Lay down these words
Before your mind like rocks.
 placed solid, by hands
In choice of place, set
Before the body of the mind
 in space and time:
Solidity of bark, leaf, or wall
 riprap of things:
Cobble of milky way,
 straying planets,
These poems, people,
 lost ponies with
Dragging saddles—
 and rocky sure-foot trails.
The worlds like an endless
 four-dimensional
Game of Go.
 ants and pebbles
In the thin loam, each rock a word
 a creek-washed stone
Granite: ingrained
 with torment of fire and weight
Crystal and sediment linked hot
 all change, in thoughts,
As well as things.
